

HALDIA INSTITUTE OF TECHNOLOGY

PRAYUKTI 2023

ANNUAL TECHNO-MANAGEMENT EXTRAVAGANZA

APRIL 3rd – 6th 2023

CODE-BLOODED

About The Event :

Get ready to unleash your inner code aficionado and gear up for Code-Blooded, a challenge that will put your skills in solving pseudo codes and mastering programming fundamentals to the test.

There will be no language barriers in this coding round, so regardless of your programming vernacular, you're welcome to join the fray. So, are you ready to showcase your prowess and compete with like-minded individuals who live and breathe code?

Rules

ROUND 1

1. Number of members in each participating group must not exceed 2.
2. At the time of enrolling in the event, each participant will enroll solo.
3. The questions will be MCQ Type.
4. There will be no coding language barrier. Questions related to pseudo code and Programming fundamentals will be asked.
5. If two teams have the same score, the time taken will be the decision factor.
6. There will be +2 marking for each correct answer and -1 for each wrong answer.

ROUND 2 (FINAL ROUND)

1. This is a single participation round.
2. There will be 5 coding questions out of which you need to attempt any 3 questions in 3 hours.
3. The 5 coding difficulties will be from EASY to MEDIUM to HARD (You need to attempt at least 1 question from each section)
4. There is no language barrier.
5. Any sort of plagiarism will lead to disqualification.
6. In any sort of discrepancy, the Judges' decision would be taken as final.
