

HALDIA INSTITUTE OF TECHNOLOGY

PRAYUKTI 2023

ANNUAL TECHNO-MANAGEMENT EXTRAVAGANZA

APRIL 3rd – 6th 2023

NATUREGENIX

About The Event :

We are born from this planet, our Earth and are cradled within the soft embrace of nature. But what can we do with the abundant gifts nature lays onto us? Unleash your innate creativity and bring to life a natural creation worth celebrating.

Introduction :

Phermonia brings you an aromatic experience to create your own fragrance from scratch. Only natural ingredients can be used as the fragrance tone.

Problem statement :

To create a DIY perfume using alcohol base and natural essence i.e. skin friendly and diffuses easily.

Rules and specification:

1. You shall be put into groups of four(Either predecided/made by committee).
2. The natural ingredient will be selected via first come first serve basis whose date and venue will be sent to the participants through mail.
3. The initial process/preparation(to be shown in workshop) shall be done at home by the groups using the natural ingredients selected by them, complying to the specified rules of the event.
4. The final process/preparation will be done in the college at the specified event day. The group needs to perform the experiment using the chemicals(if needed) and the natural ingredients brought by the participants.
5. Time allotted for the experiment will be notified.
6. A presentation explaining the whole experiment along with the ingredients and process of preparation needs to be presented in an A4 size paper descriptively.
7. The winner will be decided on the basis of the smell, cost of preparation and the presentation.
8. Any malpractice in the event shall lead to disqualification immediately.
9. The verdict of the judges shall be deemed final.
